quartet of 1

discus what to do with the one--also called one as if proper name
benign leader eventually say execute
woman shilly shally at first, then wants the execute job
2 other men
mr caution
mr hard line
they talk about how he or she's the only one etc
how transfer would be no good polit

one is entertaining, loving, has done many favors

but they'll get away withit since he's one

enroute: iq discussion
one;s manip
